

REMARKS

Without traverse, applicants elect Group 2 for initial prosecution on the merits. Upon entry of the foregoing claim revisions, pending claims 2-12 and 15-28 will read on the elected invention.

Pursuant to the revisions in question, claim 14 has been cancelled in favor of new claims 27, and new claim 28 is likewise supported, e.g., by original claim 1. Dependencies have been amended accordingly.

Finally, the Commissioner is authorized to charge any additional fees, which may be required under 37 CFR §§ 1.16-1.17, and to credit any overpayment to Deposit Account No. 19-0741. Should no proper payment accompany this response, then the Commissioner is authorized to charge the unpaid amount to the same deposit account. If any extension is needed for timely acceptance of submitted papers, Applicants petition for such extension under 37 CFR §1.136 and authorize payment of relevant fees from the deposit account.

Respectfully submitted,

Date 4 January 2008
